

Matching contributions are like free money

Consider giving your retirement savings a well-deserved boost

Getting all of the matching contributions from your employer is one of the smartest ways to add to your retirement savings.

THE COMPANY MATCHES \$1 FOR EVERY \$1 YOU
SAVE, UP TO 3% OF YOUR SALARY, AND 50
CENTS FOR EVERY \$1 YOU SAVE ON THE NEXT
2% OF YOUR SALARY.

Sample retirement savings if you
make \$50,000 annually

\$2,000	Your contribution
+ \$1,750	Employer contribution
<hr/>	
= \$3,750	Savings for your future

Plus, your pretax
contributions would
save you \$440 in
taxes

FOR ILLUSTRATIVE PURPOSES ONLY. Investing involves risk, including possible loss of principal. This is a hypothetical illustration that assumes a 22% federal tax rate. State and local tax not included. Your salary, pretax contribution rate and tax bracket may vary.
